THE LIGA LETTER - October 2001

**56th Congress of the
LIGA MEDICORUM
HOMOEOPATHICA
INTERNATIONALIS**

**Sibiu, Romania
29 Aug. – 2 Sept. 2001**

Wednesday, May 17 - VIDEO PRESENTATION

On Friday morning, especially invited speakers again made presentations. Dr. Deitmar Payrhuber (Austria) discussed a video case with tumors, following four years of allopathic suppression, from the perspective of Hahnemann's Organon, Hering's Law, Flury's constitution theory, miasmatic theory, and Scholten's periodic chart. Dr. Friedrich Dellmour (Austria) discussed "The Similia Principle - Its Historical and Scientific Roots." National Vice President, LMHI, Mexico Dr. Rene Torres read the submitted paper, "The Treasure of Homeopathy," of the invited speaker, distinguished homeopathic master, Dr. Proceso Sanchez Ortega who, unfortunately, was unable to attend himself.
